

## TFS “Self Servicing” Chemical Toilet

Ideally for situations where servicing is difficult to arrange, our Self-Servicing Portable Toilet is fitted with a Floor insert and removable cassette toilet. Chemical Fluid capacity is 21 litres for waste and 15 litres for flushing water, allowing up to 70 “flushes” between “empties”. The waste is emptied hygienically by merely carrying the cassette to a drain or waste disposal point. This portable toilet includes: -  
Double toilet roll holder • Coat hook • Useful accessories are the cold-water sink at £135 or Hand Sanitiser at £35.00, Sanitising fluid at £12.50 per litre bottle.
